## I Do Podcast Interview Flow

### 1. Intro

We give your full bio in our pre-show, so we will start the interview by welcoming you to the show, then hand it over to you to talk a little bit more about yourself and why you enjoy helping people improve their relationships.

2. Interview topic: This is not structured. We will talk freely about your topic.

### 3. Lasting Love Round

- What's one thing couples can do on a daily basis to help improve their relationship? (A specific action that can be taken.)
- Is there a book or resource you recommend for couples?
- We have been married 2 years. Is there any advice you would give newlyweds?
- If you could give one piece of advice for a successful relationship, what would it be?
- What advice would you give our single listeners?

**We will call you** via Skype at the appointed time: Skype: smbyrne10. This is an *audio only-recorded* interview. The interview should take no longer than 35-45 minutes.
